THE MASKERS THEATRE COMPANY

The Maskers Theatre Company was formed in 1969 by a small group of enthusiastic amateur actors. Since then membership has swelled to over eighty and the company has become well-known for producing a wide variety of productions to a high standard. Maskers are based in Southampton at the Eastpoint Centre.

The Maskers perform several major productions in each season. These usually include two productions at the Nuffield Theatre, an open air production at Mottisfont Abbey and several shows at other venues. Recent successes at the Nuffield include *The Dresser*, *Lock Up Your Daughters* and *The Servant of Two Masters*.

The Maskers Youth Theatre is a new group within Maskers for members aged 15 - 25. They perform separate shows as well as taking part in the main company productions. Their first production, *Zigger Zagger*, was a great success and even more spectacular effects are promised for this season's production.
