LITTLE WOMEN

By Louisa May Alcott Adapted by Peter Clapham Directed by Sheana Carrington

Little Women tells the classic story of the four March sisters growing up in New England in the 1860's, against the backdrop of the American Civil War. This engaging adaptation sensitively illustrates the sisters' path to maturity. It captures the imagination of modern readers and audiences as firmly as those who took the March family to their hearts when they made their first appearance in 1868.

Little Women evokes nostalgia for the charm of yesteryear and those salad days when everything seemed simpler, kinder and more clearly defined.

NUFFIELD THEATRE Southampton

Tuesday 27 - Saturday 31 January 2009 at 7.30pm

Henry Fielding's play TOM JONES at Hamptworth Lodge,
Landford, near Romsey 15 - 25 July 2009

Henry Fielding's 18th century romp will be performed at this stunning Jacobean style house, not generally open to the public, that is just 4 miles from Junction 2 of the M27. If you would like to receive more information about this production, add your details to the mailing list on the Tom Jones page at www.maskers.org.uk. Or when booking for Little Women, simply let the Nuffield Box Office know that you wish to receive details of future Maskers productions.
