ALTERATIONS TO PROGRAMME

The second item will not be 'YERMA' as stated in the programme. It has been replaced by the following.

"THE DAUGHTERS OF BERNARDA ALBA"

A DANCE -DRAMA based on Lorca.

directed by Lorraine Nicholas.

Upon the death of their father, Bernarda Alba places her daughters in strict seclusion for a period of mourning. The eldest and richest daughter is betrothed, but her lover may not enter the house until mourning is over. He may only court her by serenading at her window.

The effect of this clandestine courtship is to allow the frustrations of the other sisters to dominate them.
